REGISTRATION AND PAYMENT CONTRACT

I am interested in and agree to participate in the training offered by the Institute of Core Energetics – Greece for the academic year 2026 – 2027.

I understand that the dates of the five (5) training modules for the 2026–2027 year will be published on the Institute's website and communicated to me at the start of the academic year. Each module follows a Thursday–Sunday schedule.

1. Tuition Fee

I understand that the tuition fee for the 2026–2027 cycle is €3,000 per year plus 24% VAT (€3,720 total / €744 per module). This cost may increase annually depending on economic conditions; any increase will be announced at least six months before the start of a new school year.

Room and board arrangements at the training venue are made and paid for separately, directly to the hotel, and are not included in the tuition fee.

2. Deposit

A €300 deposit plus 24% VAT (€372 total) is required only from new students entering the program for the first time. The deposit reserves the student's place and is credited toward tuition for the first academic year. Returning students do not pay a new deposit in subsequent training years. The deposit is non-refundable, except if the Institute cancels or postpones the program year.

3. Payment Schedule Agreement

I agree to pay the tuition as follows (please select one):

- ☐ In one payment: €3,720 due on or before the start of the first module.
- ☐ In two payments: €1,860 due on or before the start of the first module; €1,860 due on or before the start of the third module.
- ☐ In five installments: five payments of €744, each due on or before the start of the corresponding module.
- ☐ According to a financial arrangement proposal submitted by me and agreed upon with the Institute before the beginning of the first module (details attached or on file with the Institute).
New students only: the €372 deposit already paid will be credited against the first tuition payment under the selected payment plan. Returning students do not pay a deposit.

4. Payment Method

Tuition payments may be made by bank transfer to the Institute's designated National Bank of Greece account. Cash payment may be accepted only when arranged in advance with the Institute. Payments must be received by the applicable due date stated in the selected payment schedule.

Bank details: National Bank of Greece (NBG) | Beneficiary: AXIS LIVING GROUP ΜΟΝΟΠΡΟΣΩΠΗ ΙΚΕ | Account: 91013465397 | IBAN: GR8801101430000091013465397 | SWIFT/BIC: ETHNGRAA. Axis Living Group is the parent and operating company of the Institute of Core Energetics Greece and receives tuition payments on its behalf. All invoices and receipts for tuition and related Institute payments are issued through Axis Living Group.

5. Cancellation Policy

If a student misses a module for reasons not caused by the Institute, the payment for that module must still be made on the specified date; the student must inform the coordinator and agree on how payment will be made.

It is possible to make up a missed module in the year following graduation without additional charge. The student is required to commit to pay in full for each module regardless of attendance; replacement of the module is optional unless the student has reached their limit of absences.

6. Non-Payment

If a student fails to pay two tuition installments, they will be asked to leave the program. Occasional exceptions may be offered by the Institute in case of exceptional circumstances, at its sole discretion.

7. Room and Board

Housing and food costs depend on the type of accommodation chosen at the training venue and are paid directly to the Hotel at the beginning of each module. A bank transfer is not possible for this fee. Neither the Hotel nor the Institute will be responsible for lost items.

8. Annual Renewal

This Payment Contract applies solely to the academic year stated above. Participation in the training program in any subsequent academic year requires the Trainee to review and execute an updated Payment Contract reflecting that year's tuition and financial terms, alongside an updated Training Contract.

This Contract is governed by the laws of Greece. Any dispute arising from or in connection with this Contract shall be subject to the jurisdiction of the courts of Athens, Greece.
